ATTENDANCE CENTER  
Hickory Flat

Come with us and walk  
through the doors of  
some of the happiest  
years of life.

## **Old Times There Are Not Forgotten**

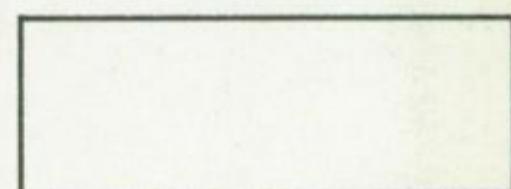

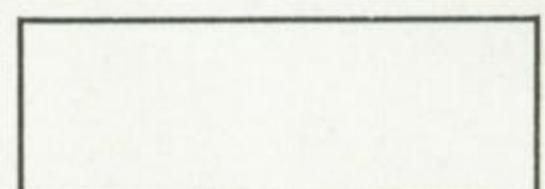

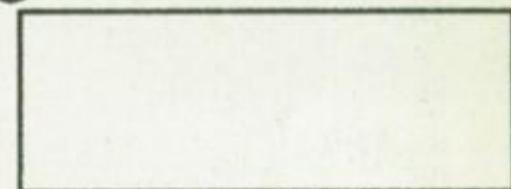

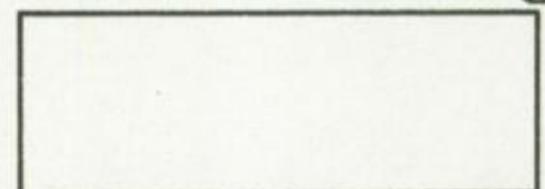

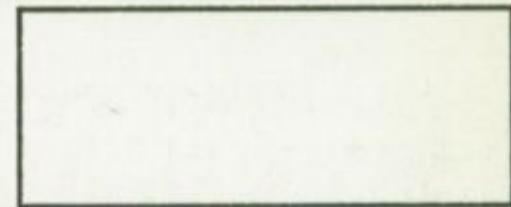

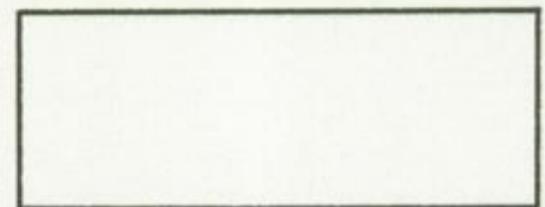

From registration to final exams, 1965-66 at Hickory Flat High School was a memorable year. Eager to renew old friendships, but not eager to resume classes, students returned from the "shortest summer ever" to begin the school year. As the confusion subsided, the year began to progress smoothly. The days flew by, and with them many experiences. All Rebels remember the wild excitement of the first field goal of the basketball season, the casual moments of conversation with friends, and the

countless hours of study - both in and out of classes.

As the school year drew to a close, the students began looking ahead to future years. Memories of the past were not pushed aside, and it is the hope of the Rebel Staff to re-open the doors of the past year with this presentation of the 1966 REBEL.

## Dedication

Living in Myrtle hasn't stopped Mrs. Darden from taking an active part in our school and community activities. In her 36 years of teaching, she has won the respect and admiration not only of the students, but that of the teachers and parents as well.

Her main responsibilities have been centered in her home and her family which consists of her husband, two sons, two daughters, and two grandchildren. Other responsibilities have been in her school work and in her church work.

The 1966 REBEL honors you, MRS. DARDEN.

...A Devoted Teacher  
...A Loyal Friend  
...A Trusted and Beloved Person  
...We dedicate this 1966 REBEL  
to you,

### Mrs. Roy Darden

...Because we love you not  
only as a teacher but as a dear friend.

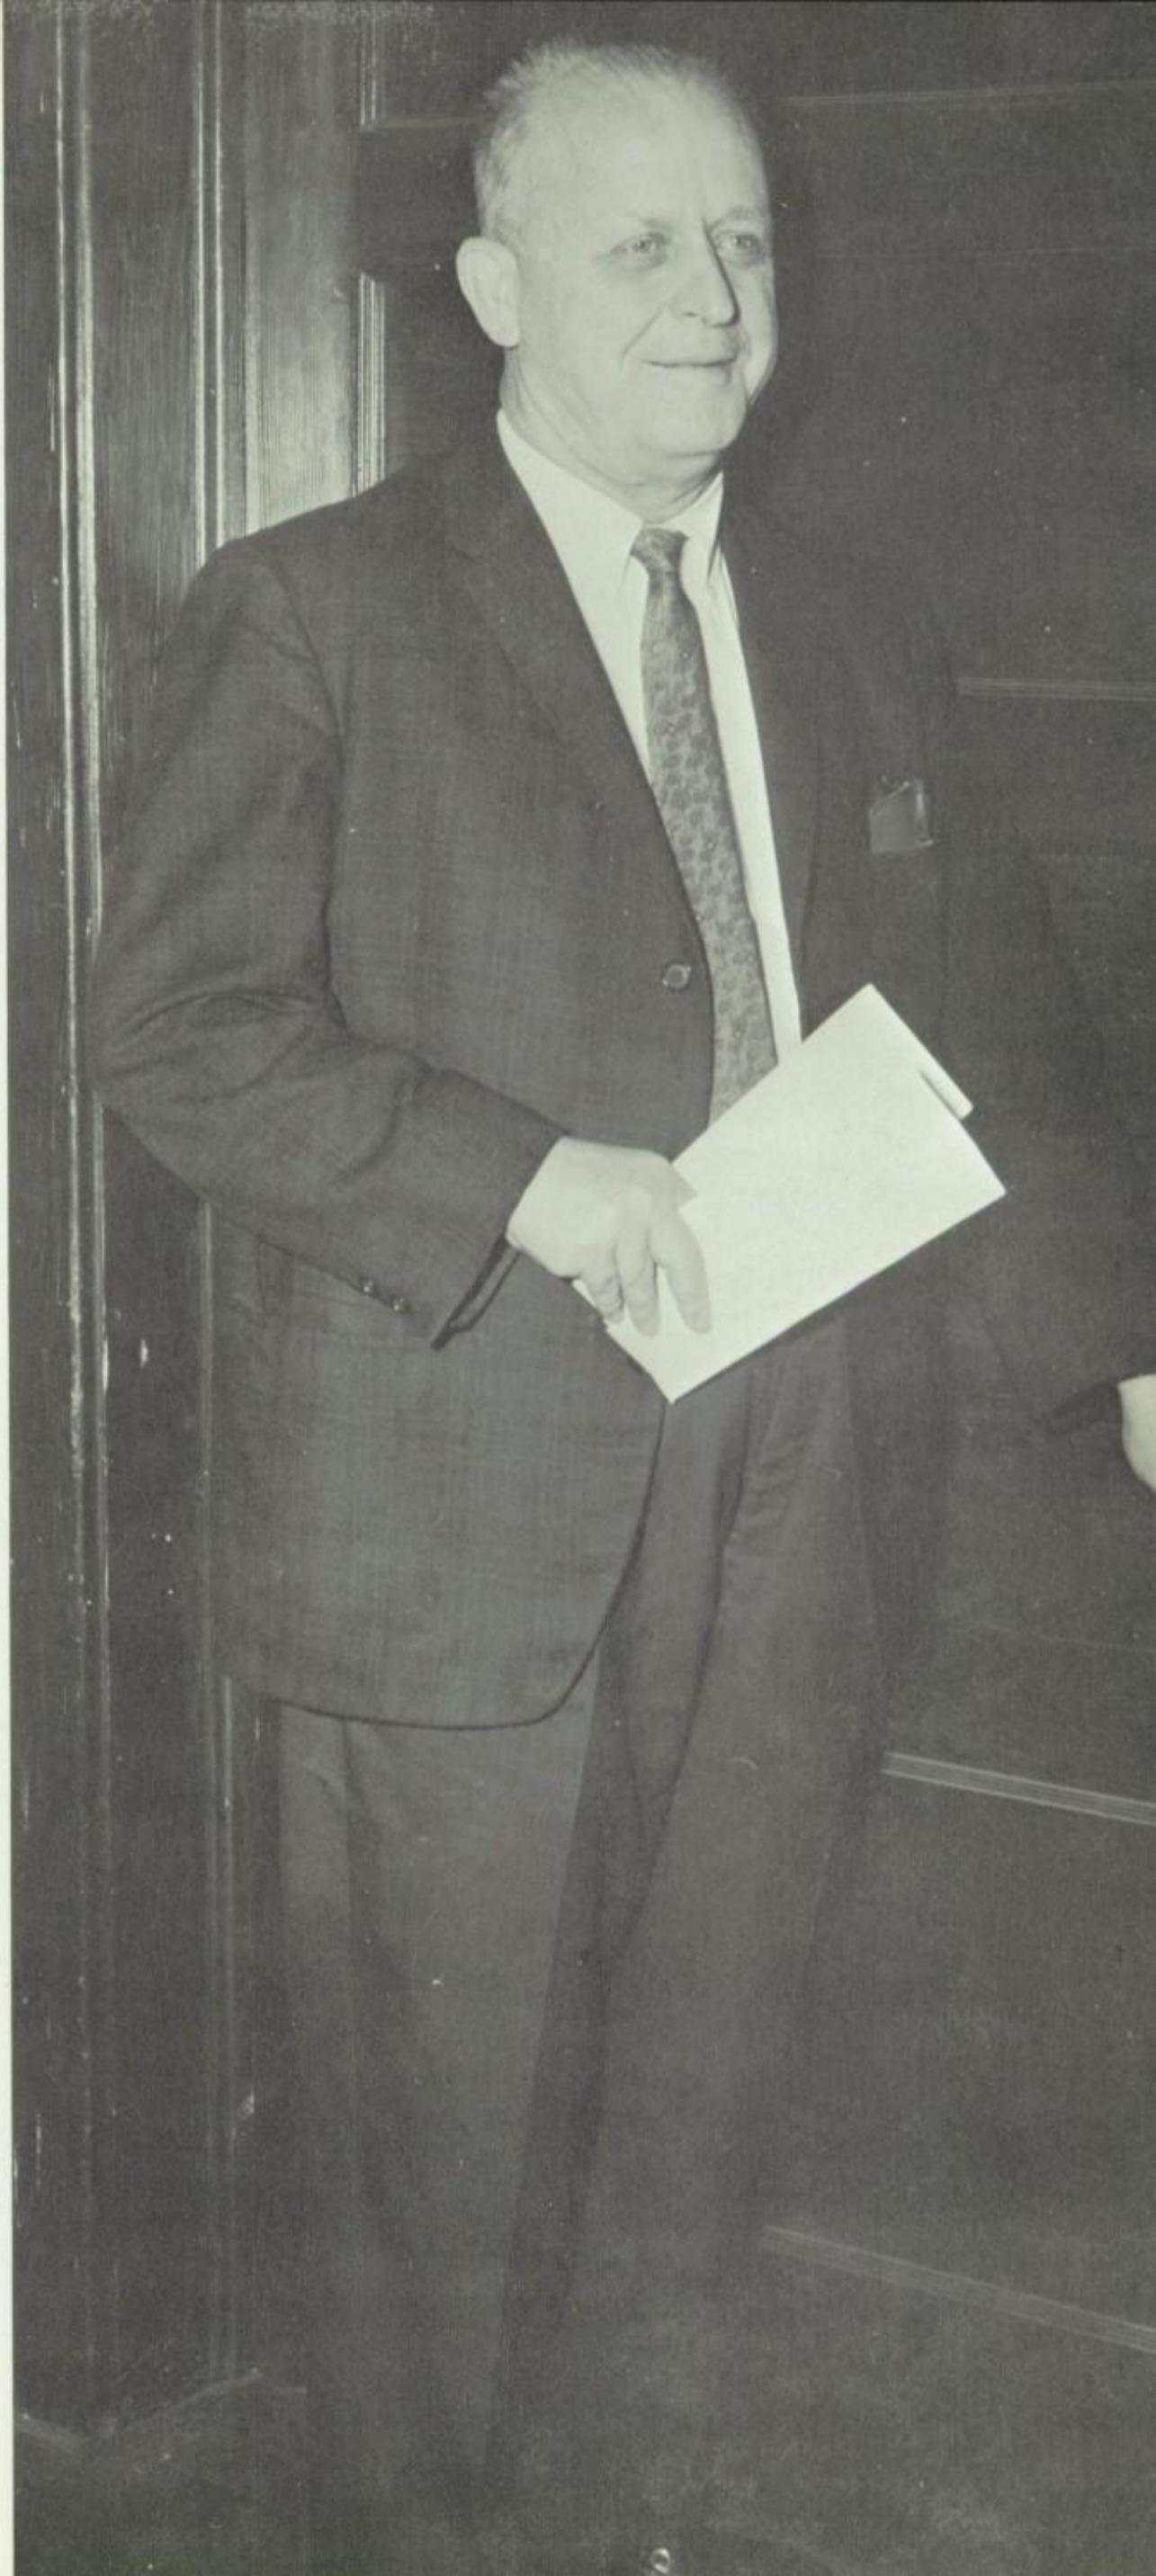

PRINCIPAL'S

MESSAGE

Through the doors of the American public school pass the future citizens of our nation. We enter through these doors that we may grow scholastically, socially, physically, spiritually, and increase our understanding of self and of our fellowmen.

After several years of formal education we leave through these same doors to meet the many challenges of adulthood. The trials and problems faced in school become the happy memories in the years ahead.

J. P. Baetz

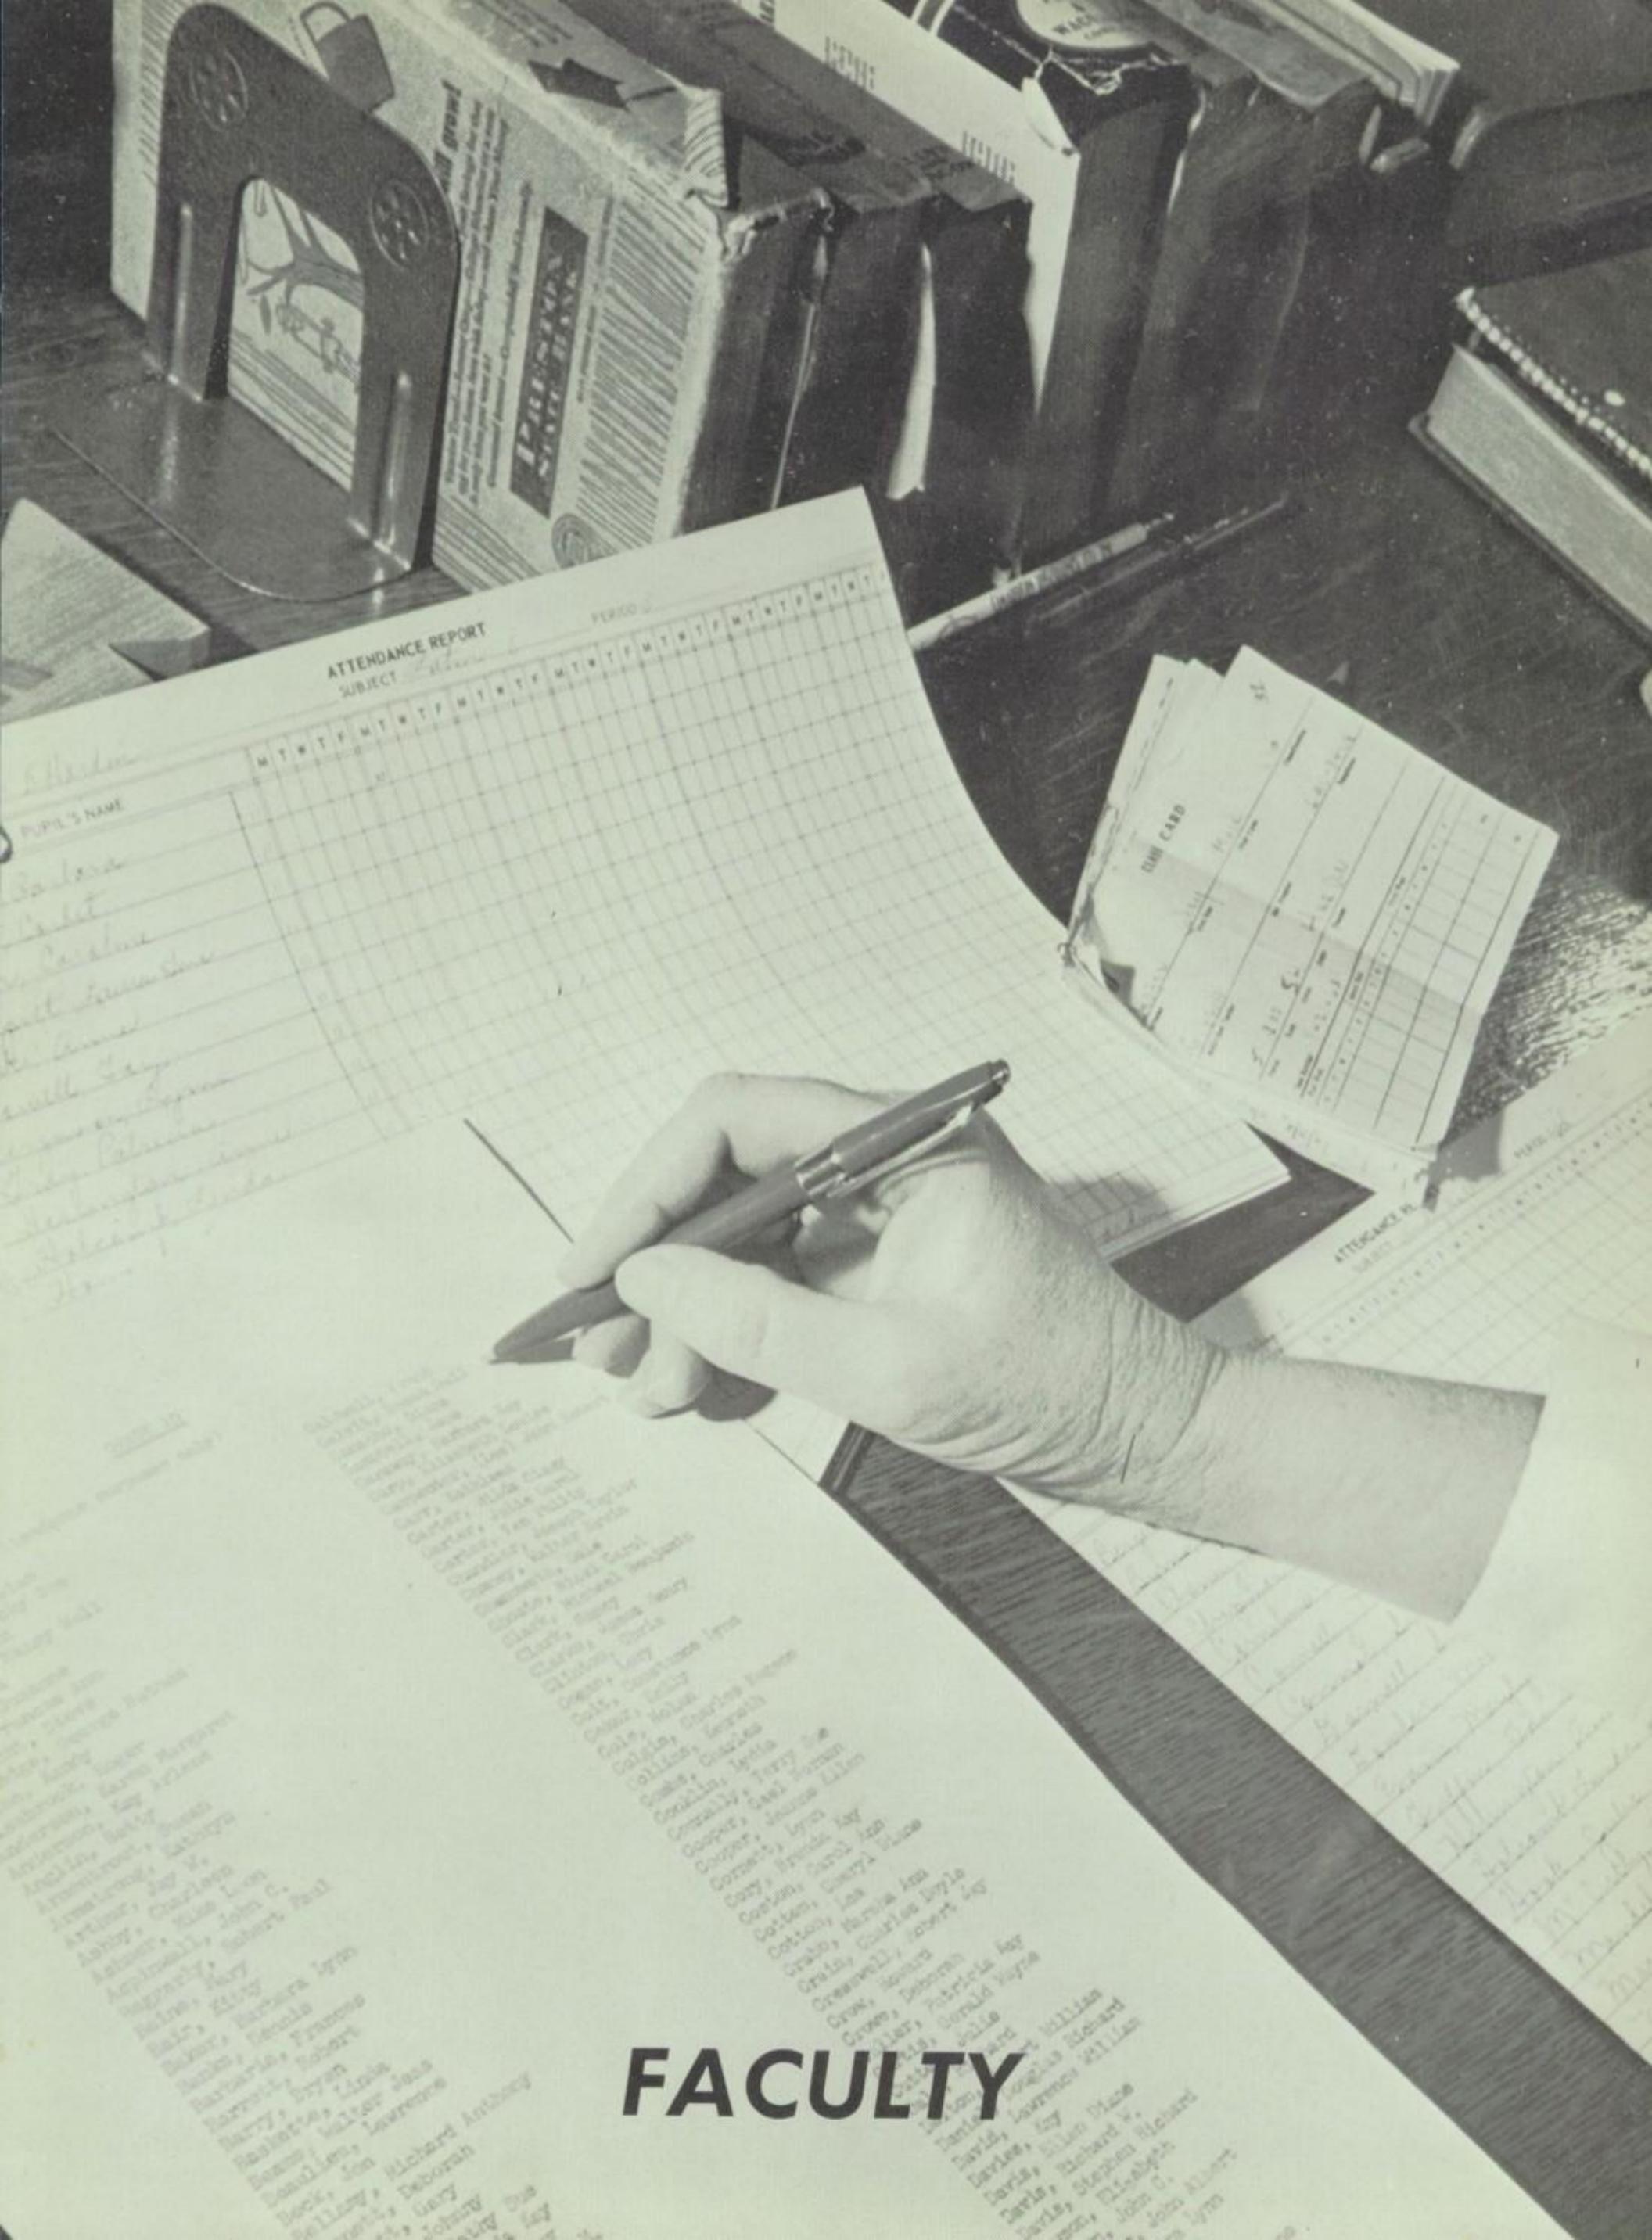

E. E. Autry, President; Robert Jordan, J. E. Hines, Gene West, Harry Rogers

## **County Board Superintendent**

MR. J. D. BENNETT

Years have passed since the first senior yearbook was published here at Hickory Flat High School. This year the annual will be a pictorial record which the members of the class of 1966 will cherish all of their lives. It is a signal honor to have the privilege of saluting the students who are to be graduated in May of this year. My sincere wish is that your pathways to your goals in life will be more clearly defined because of your years as a student at Hickory Flat High School.
